Community Planning
Aberdeen

Welcome

Welcome to the North Locality Plan which sets out the priority outcomes we want to achieve by 2026. We will work together with people living and working in the North Locality to deliver the plan. The plan was first published in July 2021 and has been refreshed in 2024 to ensure it remains relevant and focussed on North Locality priorities. Moving out of the pandemic, some priorities have changed but many remain the same. As part of the refresh process, we considered feedback gathered through our ‘what matters to you’ community engagement exercise and considered local level data, including progress we have made and areas for improvement reported as part of the North Locality Annual Report 2022-23. Most importantly, we listened to people living and working across the North Locality to hear what they think and understand what would make the greatest difference to them. The refreshed plan has been developed by Community Planning Aberdeen, working with members of the North Locality Empowerment Group and North Priority Neighbourhood Partnership. The plan supports delivery of the citywide Local Outcome Improvement Plan (LOIP).

Vision and Priorities

Our collective vision is to ensure that Aberdeen is a place where all can prosper. To achieve this in the North Locality, we have identified six priorities to be achieved under the four key themes of Economy, People, Place and Community.

ECONOMY	PEOPLE	PLACE	COMMUNITY
1.Reduce the number of people living in poverty (Page 3)	2.Improve the physical health and wellbeing (Page 5) 3. Support local volunteering (Page 6) 4.Early intervention approach (Page 7)	5.Maximise use of disused outdoor space (Page 8)	6. Increase the number of people and groups involved in making improvements and decisions in their community (Page 9)

These priorities are relevant to all neighbourhoods within the locality, but we recognise that some neighbourhoods will need more support to achieve improved outcomes. Priority neighbourhoods which experience disadvantage have been identified using the Scottish Index of Multiple Deprivation (SIMD). These neighbourhoods may need additional support to benefit from the same opportunities to thrive and succeed as other neighbourhoods within the locality.

Our priority neighbourhoods within the North Locality include Northfield, Mastrick, Cummings Park, Middlefield and Heathryfold.

How to get involved

The [North Locality Empowerment Group](#) and the [Cummings Park, Heathryfold, Northfield, Mastrick and Middlefield Priority Neighbourhood Partnership](#) are two of the main ways we connect with our local communities in the North Locality. As a member of a LEG and a Priority Neighbourhood Partnership you will be able to provide a voice on behalf of the people and communities across your neighbourhood.

What's in it for you?

Following a recent training session provided by SCDC in partnership with ACC/AHSCP, the community had this to say about community engagement:

"Talk to us and talk to us early. Don't make decisions and then get it approved by us. Communities have knowledge and skills to know what's best for us. We're the local experts about our places"

"Community Engagement is where people grow"

If you are interested in getting involved in helping achieve these aims in your local community, follow this link to find out more: [Our Communities - Community Planning Aberdeen](#) or email localityplanning@aberdeencity.gov.uk.

Meet your Locality Planning Team

We understand the importance of working with communities to build a thriving environment for everyone. By engaging with local communities through our dedicated locality planning team, we aim to become more receptive, supportive and action oriented. Community input is extremely valuable to this work.

The Locality Planning Team includes staff from Aberdeen City Council and the Aberdeen City Health and Social Care partnership working together to support improved outcome across all our localities and neighbourhoods. In the North Locality your locality planning contacts are Iain, Jade, Katie, and Kev.
