ABERDEEN CITY COUNCIL

Aberdeen Low Emission Zone

The Environmental Assessment (Scotland) Act 2005

Screening Determination under Section 8(1)

Section 8 (1) of the Environmental Assessment (Scotland) Act 2005 requires Local Authorities to determine if a plan is likely to have significant environmental effects.

Aberdeen City Council has determined, in consultation with the Scottish Environment Protection Agency, NatureScot and Historic Environment Scotland, that the introduction of a Low Emission Zone in Aberdeen is unlikely to have significant effects and that a strategic environmental assessment is not required.

No Environmental Report will be prepared alongside the Low Emission Zone Scheme.
